

# The Path of Life

**Thursday June 13th - Friday 14th, 2024**

Our lives are journeys down paths where sunlight illuminates our steps and reveals God's grace guiding our way. We also walk paths that threaten our well-being. Take time for yourself, alongside your colleagues in ministry, to look at your path and recognize how God's light is showing you the way forward. Identify tools of resilience to serve your journey.
