A message from the Communications Team

We are proud to announce that we have completed the development of a Request for Proposal (RFP) and detailed requirements document for our new Parish website. The design will unify our Parish websites and offer user-friendly features, accessible design and engaging content.

Before we widely release the RFP, we would like to offer the implementation opportunity to parishioners with experience in formal website development who either work for or own web design studios. If you would like to be involved, please email a statement of interest to include a short company description, a statement of qualifications, and a point of contact for receipt of the RFP and Requirements Document to: Laura Mack at: lmack@syrdio.org. Statements of interest must be received by Tuesday, November 18, 2025.

Together, let us create a beacon of faith, hope, and love online. Thank you for answering this call to serve!

Please remember our families, friends and parishioners in your prayers.
